Mr. James M. Murray
Director
U.S. Secret Service

Dear Director Murray:

We write to you today regarding U.S. Secret Service (USSS) records involving Hunter Biden and his use of government-sponsored travel while he conducted private business. We previously requested that the USSS provide all records among and between USSS, Hunter Biden, Katie Dodge, or Joan Mayer regarding Hunter Biden's travel while his father was Vice President.¹ To date, the USSS has produced 259 pages of documents pursuant to our requests; however, we have serious concerns about the production.²

First, the USSS's production contains extensive Freedom of Information Act (FOIA) redactions, which do not apply to Congress and should not be applied to this production. These inappropriate redactions impede our offices' ability to understand the full scope of the interactions between Hunter Biden, his associates, and the USSS. For example, in applying the redactions, the USSS hid names and other information contained in email conversations regarding Hunter Biden without any proper legal justification. Specifically, in a May 23, 2014, email chain, a redacted individual on then-Vice President Biden's Detail (VPD) emailed a redacted individual at Hunter Biden's business, Rosemont Seneca Partners, about Hunter Biden's upcoming travel plans to travel from Paris, France to Kazakhstan.³ The VPD asked the individual at Rosemont Seneca Partners, "if there will be room on the private flight for at least [redacted] of our guys (preferably [redacted] we would greatly appreciate it."⁴ The USSS records that we previously made public show that Hunter Biden was in Paris, France from May 29, 2014 to June 7, 2014 while a protectee.⁵ The USSS records do not show whether USSS personnel or Hunter Biden traveled to Kazakhstan in May or June 2014.

¹ See Letter from Ron Johnson, Chairman, S. Comm. Homeland Sec. and Governmental Aff. & Charles E. Grassley, Chairman, S. Comm. on Fin., to James M. Murray, Director, U.S. Secret Service, Oct. 20, 2020, [https://www.grassley.senate.gov/imo/media/doc/2020-10-20%20CEG%20RHJ%20to%20Secret%20Service%20\(Hunter%20Biden%20Travel%20Records%20Follow-Up\)%20.pdf](https://www.grassley.senate.gov/imo/media/doc/2020-10-20%20CEG%20RHJ%20to%20Secret%20Service%20(Hunter%20Biden%20Travel%20Records%20Follow-Up)%20.pdf).

² Benjamin P. Kramer, Special Agent in Charge, U.S. Secret Service, to Charles E. Grassley, Ranking Member, S. Comm. on the Judiciary and Ron Johnson, Ranking Member, Perm. Subcomm. on Investigations, June 11, 2021.

³ Email from Redacted, Vice President Detail, to Redacted, Rosemont Seneca Partners, May 23, 2014 at 5:40 PM [*Id.* at 84].

⁴ Email from Redacted, Vice President Detail, to Redacted, Rosemont Seneca Partners, May 23, 2014 at 5:06 PM [*Id.* at 83].

⁵ S. Comm. on Homeland Sec. and Governmental Aff. & S. Comm. on Fin., *Hunter Biden, Burisma, and Corruption: The Impact on U.S. Government Policy and Related Concern* at 33 (Sept. 2020), https://www.hsgac.senate.gov/imo/media/doc/HSGAC_Finance_Report_FINAL.pdf.

Second, we determined that even though Hunter Biden was a USSS protectee from January 2009 through July 2014, the USSS did not produce any communications regarding Hunter Biden's travel for the years 2010, 2011, and 2013.⁶ The USSS's lack of communications during these years raises questions given that USSS travel records show that Hunter Biden made trips to China and other destinations around the world, including, Russia, Italy, Spain and Mexico.⁷

In order to better understand the USSS's communications with Hunter Biden and his associates while his father served as Vice President, we respectfully request the following information:

1. Unredacted copies of the attached 259 pages of documents.
2. An explanation for why the USSS did not provide any communication records for the years of 2010, 2011, and 2013.

Please provide this information as soon as possible but no later than January 26, 2022.

Sincerely,

Charles E. Grassley
Ranking Member
Committee on the Judiciary

Ron Johnson
Ranking Member
Permanent Subcommittee
on Investigations

IMPORTANT INFORMATION

- Tickets are non-transferrable.
- Changes to your itinerary may affect your fare.
- Reserved Service: eTickets are only valid for the services listed. Unreserved (Capitol Corridor, Pacific Surfliner, Hiawatha, Keystone between Harrisburg and Philadelphia): eTickets for Coach seats on unreserved trains may be used on any unreserved train on the same route within one year of purchase, unless restricted by the fare paid. Pacific Surfliner and Keystone trains require reservations during Thanksgiving.
- Refund and exchange restrictions and penalties for failure to cancel unwanted travel may apply. If your travel plans change, call us before departure to change your reservation. If you do not board your train, your entire reservation from that point will be canceled. If you board a different train without notifying us, you will have to pay for it separately; the conductor cannot apply the money paid for your prior reservation. For all travel on or after March 1, 2014, for most Acela Express Business class reservations and Reserved Coach class reservations, you must cancel your reservation at least 24 hours prior to the train's departure in order to be eligible for a full refund. If the reservation is canceled within 24 hours of departure, a refund fee will apply. If the reservation is not canceled prior to scheduled departure ('no show'), the entire amount paid for the reservation will be forfeited. See the refund/exchange policy at Amtrak.com/refund.
- Your latest eTicket shows the services you reserved. If you change your reservation but do not reprint the eTicket, it will not reflect your current itinerary. You can obtain an updated copy of your eTicket at Quik-Trak or a ticket office, or you can reprint it at home. At some stations, a gate agent may need to view your eTicket prior to boarding (learn more at Amtrak.com/boarding).
- When should you arrive at the station? Check the recommended arrival times for your departure station at Amtrak.com/stations. Allow additional time if you are boarding at a Canadian station, or require ticketing/baggage services or boarding assistance.
- Carry-on baggage limited to 2 pieces per passenger, 28x22x14" / 50lbs per piece (strictly enforced). See the baggage policy at

Amtrak.com/baggage.

The [Contract of Carriage](#) contains further detail of these terms.
- Additional Terms** - Depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to one or more of the following, may apply to your travel: (1) the ticket may not be refundable but may be exchangeable for a fee with another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) travel may be restricted to specific flights and/or times and minimum and/or maximum stay may be required.

- ADVICE TO INTERNATIONAL PASSENGERS ON CARRIER LIABILITY –**
Passengers on a journey involving an ultimate destination or stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death of or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.
- Notice—Overbooking of Flights** - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline which are available upon request from the air carrier, persons denied boarding involuntarily are entitled to compensation. *The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. IMPORTANT CONSUMER NOTICES

- Incorporated Terms** - Your travel is subject to United's Contract of Carriage terms. The Contract is available for inspection at any UA ticketing facility, united.com or by calling 1-800-UNITED-1. Passengers have the right to receive the full text of the terms incorporated by reference free of charge by mail or other delivery service. The Contract terms include rules about limits on liability for personal injury or death and for loss, damage, or delay of goods and baggage, check-in times, overbooking, security issues, reservations, denial of carriage, refunds, claims limits and restrictions, including time limitations for filing a claim or lawsuit, and schedule changes and irregularities. The [Contract of Carriage](#) contains further detail of these terms.
- Additional Terms** - Depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to one or more of the following, may apply to your travel: (1) the ticket may not be refundable but may be exchangeable for a fee with another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) travel may be restricted to specific flights and/or times and minimum and/or maximum stay may be required.
- Baggage Liability** - On domestic flights, United's maximum liability limit for checked baggage is \$3400 USD per passenger and United excludes liability for all unchecked baggage. For travel within the U.S., United excludes liability for fragile, valuable or perishable items carried in all baggage including jewelry, computers, cash, camera equipment and similar valuables. If any of these items are lost, damaged or delayed, you will not be entitled to any reimbursement. You can declare excess valuation on certain baggage at the airport, additional fees will apply.
- ADVICE TO INTERNATIONAL PASSENGERS ON CARRIER LIABILITY** – Passengers on a journey involving an ultimate destination or stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death of or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.
- Notice—Overbooking of Flights** - Airline flights may be overbooked, and there is a

slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline which are available upon request from the air carrier, persons denied boarding involuntarily are entitled to compensation. *The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*

Also, I was notified Hunter will be traveling with (b)(7)(E) to DE on 12/17. I believe the rest of the family will still travel to DE on 12/19. I would like to verify I have this correct.

And also please let me know when you confirm the Chicago flights on 12/25 and 1/3.

Hey (b)(6)

I remember you mentioned the host committee offering to pay for rooms. The embassy was attempting to book rooms at the hotel and they are having trouble finding rooms. Someone mentioned the host committee may have some rooms for security already blocked off. Can you verify this? If so can they be released to us and we will go direct with the hotel for billing?
